Parents Points of Power

Please make sure that your athlete has the proper running shoes and a pair of “warm-ups”.

Your child should bring his/her “warm-ups” to practice and to meets at ALL TIMES, no matter how hot you think it may be. The weather may change quite suddenly and we want our athletes to be prepared for such changes.

Please make sure that your athlete brings a drink to each practice.

WATER IS THE PREFERRED DRINK, although drinks such as PowerAde and Gatorade are acceptable. *SODAS ARE NOT ACCEPTABLE*. Also, begin to encourage your athlete to drink at least 8 - 8oz glasses of water per day.

Athletes should not eat for at least two (2) hours prior to practice, although it is preferred that the athlete stop eating at least three (3) hours prior to practice.

As we begin training, minimize the intake of sweets and fast foods. However, you should also begin to evaluate your athlete’s diet more carefully. The diet should contain approximately a twenty percent protein (i.e., meats, eggs, fish, chicken, beans, dairy products, etc.), twenty percent fat (i.e., butter, red meats, plant and fish oils, etc.) and 60 percent carbohydrate (i.e., rice, wheat, corn, potatoes, bread, pasta, fruit, etc.) split. Most importantly, eat a lot of different foods such as vegetables, fruits, fish, meats, dairy produce and grains. Also, grill, steam or bake foods, avoid boiling and frying.

As the track meets begin, make sure that you communicate with your child’s coach; know what time your athlete is expected to compete; what time he/she needs to arrive at the meet, etc.

Note that all times provided will be approximate times due to the “rolling schedules” at the majority of the meets. Therefore, you must use your judgment to evaluate how long it will take to get to the meet; earlier is always better.

Athletes should bring drinks (preferably water), fruit, sandwiches (no cheese or mayonnaise), and healthy snack foods to each meet.

Milk products should be eaten at least three hours prior to the meet, otherwise they should be avoided. Athletes should not be allowed to eat nachos, hotdogs, etc. from the local concessions until they have completed all of their running events.

Welcome to the Pearland Speed Track Club. Take pride because you have entered this program on the ground floor. It’s off to the RACES.

If you have any questions or concerns, please contact the staff.
